THORNCLIFFE PITCHES IN FOR **BOYS & GIRLS CLUB**

On Sunday, September 17th a group of Thorncliffe Sales Centre employees and some of their family members volunteered to help the Boys & Girls Clubs of East and West Scarborough run their Community Family Day. The family day was organized so the

community, along with friends and family of the two clubs, would have the opportunity to get together, learn about each other and have fun! There were activities for all ages and a main stage show that included Hawaiian dancers, music and more.
